An innocent meeting of two strangers explodes into sizzling sex

Weekend of Lust

Her hands held onto my wrists as I began unbuttoning her top, but the quiet “no” from her lips was without conviction.

My eyes were locked onto hers. The magnetic attraction between us was so powerful it was as though an invisible rod connected us, body and soul. Nothing could have kept us from what we were about to do—even though there were a thousand reasons to stop.

It was just one of those times when lust and desire were so strong that they could have conquered the most formidable foe. It was as if the world had separated us from the rest of reality. Nothing else was real. There was only us.

I had gone to the country to visit some friends for the weekend. Their small home had become a sort of mecca for me, my escape from the city and all the pressures that seemed to consume me.

By the time I arrived that Friday evening, the autumn sun had fallen, leaving a crisp, clean chill in the air that was cooled further by a persistent breeze that sailed deep-red leaves scratching along the road. I usually hate cold weather, but wrapped in a sweater, it seemed completely bearable, almost pleasant.

The sight of an unfamiliar car in the driveway made my stomach lurch. I hated meeting new people; I had come here to relax with friends, not to make new ones.

Bob met me at the side door that led into the kitchen, with Pat calling out a friendly, “Hello,” her head half in the oven basting a stuffed turkey.

“Let me take your

bag,” Bob offered, taking it from my hands. I followed him to the living room, already so calmed by the heady odors of dinner that I felt ready to meet whoever would be around the corner. “We’re having a fourth person join us tonight,” Bob said.

My eyes avoided the figure I saw sitting in the corner.

“This is Gina,” I heard Bob saying, my mind still not focusing, still resisting the introduction. “Gina, this is Richard, but everyone calls him Keith.”

“Hi” was all she said, but something in her voice stirred me. I found my gaze shifting from the far wall directly into her eyes. There must have been an astonished look on my face. I felt as if I knew her. She held my stare momentarily and then turned her eyes away. For that short moment, something had been there; a feeling so strong that I felt frozen, unable to move. I wanted her to look at me again, but she didn’t. Sounding as if he were a million miles away, Bob said, “Gina’s staying with us for the weekend. Her husband is out of town on business. It’s that same redhead isn’t it, Gina?” Bob kidded.

Gina smiled, possibly with some apprehension about what Bob had said. Then, when she looked away from Bob, her eyes found mine just long enough to notice I was watching her. She quickly looked away again.

But it was there, a deep warmth generating from within her. I could barely concentrate on overcoming the urge I felt to take her in my arms. The magnetism was so evident that when Bob left the room to help with dinner, having a

conversation with Gina became very uncomfortable for me.

She spoke about her son, who was staying with his grandparents for the weekend; about her husband's insurance work; about having been a teacher before she became a mother. All I wanted was to tell her how warm she made me feel; how I wanted to wrap my arms around her and hold on. I watched hypnotically as she spoke, barely responding with a nod or short answer to her questions.

I knew full well at that moment that if I ever held her, it would be the most powerful sexual experience of my life. I didn't know why and I didn't know how, but something had ignited a fire between my legs that had to be put out... somehow.

Bob and Pat's presence distracted me only slightly

from Gina during dinner. Then Gina and I were alone in the dining room after Bob and Pat had cleared the table. I looked up and saw her watching me; this time our eyes didn't pull away. Her mouth parted slightly, our stares locked. Suddenly she looked away.

We hadn't been alone again by the time midnight rolled around. I stayed in the living room, basking in the warmth of the fireplace, while everyone else prepared for bed.

I was just setting up the game board, preparing to challenge anyone to a game, when Gina came back into the living room. She was dressed in a light-blue robe. "Thought I'd say good-night," she smiled, almost bashfully.

Her warmth overpowered me; I couldn't find the words to replace the desire that surged through me. I had to be with her. I reached out. Our fingers touched. Neither of us moved. We just stared at our hands, which were softly resting together.

I took her hand firmly, bringing her toward me. I was expecting her to pull away. I was flooded with emotion when she came into my arms, her embrace strong and

willing. Our mouths met, hers opening as our tongues intertwined. We eased down onto the floor, holding on tightly to each other. Never had mere embraces fulfilled me so much.

My fingers began undoing the belt of her robe and she purred softly as my hands slipped onto the softness of her nightgown, holding her gently by the waist, drawing her loins next to mine. I parted her negligee, baring her legs and searching her inner thighs. I moved my gentle touches to her ass and began easing my hands between her legs.

Suddenly she pulled away and turned so that her back was facing me. "I can't," she cried softly.

"Come here," I said soothingly, touching her shoulders.

"No. I have to go to bed. I can't stay." She got to her feet quickly and retied her robe.

"Stay. Talk with me," I urged, taking her hand.

Her fingers remained limp, no longer returning my firmness. "I can't. I'm sorry," was all she said, and she disappeared into the darkness.

"Keith." I heard a voice calling softly. It was Gina.

I got out of bed to meet her halfway, wearing a pair of baggy flannel pajama bottoms but no top. As soon as she was within arm's reach, I pulled her close, pressing my lips against hers.

"Keith, don't. I—" she stopped. Her lips kissed me warmly.

When I pulled my mouth away, I waited for her eyes to open. "This is going to sound strange," I began slowly, "but I'm really taken with you."

"Don't say that."

"Why not?" I asked.

"Because—"

Our eyes locked as I slowly made my way to her breasts. My hands pressed lightly onto her soft globes, cupping them, reveling in their feel. Gina hugged me, allowing my hands to stay between us. Gradually, filled with reluctance, her fingers moved down my back, scratching gently against the curve of my spine, slipping beneath the elastic waistline of my pajamas and gliding easily onto my buttocks. A slight whimper escaped from her throat as I shut the bedroom door.

I fondled her and kissed her neck softly. There was a tightness in her legs as we approached the bed; a part of her was resisting. My hands held her shoulders and I tried pushing her back a bit further. Just as she seemed about to protest, her knees gave way and we tumbled onto the bed.

It was as though we'd jumped into the water with

both feet; the final step erased the hesitation from our actions—our minds seemed to know there would be problems but our emotions and our bodies didn't care.

Gina's hands went into my pajamas more positively now and reached eagerly until her fingers were filled with my hardened cock. Her hold on me became slow, almost exploratory, as though she'd never held a stiff dick in her hands before. Her fingers ran the length of my shaft and down to my scrotum, pressing slightly to feel its bulk.

Each of us sighed freely, no longer restrained. Watching the depths of Gina's eyes, as I slowly brought my loins against her stomach, filled me with an extreme passion. Pressing my hard-on against her, I whispered into her ear. "Let me fill you."

She cringed weakly but whatever caution that was holding her back, it burst away in the face of her desire. Facing one another on our sides, I gently pushed Gina onto her back, reaching between her locked legs to feel her sultry pussy.

"Oh, God," she sighed, feeling my caresses slipping more deeply inside her.

"Open your legs," I whispered, rubbing my cock against her bare legs. "Ease them apart."

She gradually separated her legs, allowing my fingers to slip into the hot moistness between her legs. She was flooded with her own excitement and it spilled out onto her inner thighs as my fingers primed back and forth.

Her hands shook slightly as they touched my chest and followed my shifting weight, while I moved in between her open legs. We watched one another's eyes as my stiff cock slid along the swollen lips of her pussy, slowly lowering its strokes and patiently feeling for her opening.

Gina jumped quickly, startled by the feeling of my cockhead lining up against her entrance. There had never been a warmer, fuller moment in my life. Passion's fire had been turned up full bore. I held my cock still, watched Gina's eyes and said, "I need to have you."

Her quivering fingers reached around for my ass. Her eyes were closed now; it was all getting too real. When the tension in her hands urged my cock forward, I slipped into her with a gentle, relaxed ease. Gina held her breath as she felt the length of my cock slide slowly through the walls of her grasping pussy. I held still inside her and felt the pulse of my heart beating firmly through my cock.

Gina opened her eyes. She was out of breath. "I need you too," she whispered, wondering why she'd said it yet knowing it couldn't be held back. Turning my head sideways, I reached down to kiss her nipples, making them stand softly erect. Gina's hands caressed my arms and as

I returned to kiss her lips, our hips began slowly meshing together, pulling the tightness of her pussy back and forth as my stiff cock pushed into her.

Time seemed to lose its direction as our kisses and bodies blended into one. In each other's arms, there was no competition between the sexes. This was lovemaking, pure and simple and divine.

I watched the sincerity in Gina's eyes, the surprised, spent look that came over her face as her orgasm approached. I realized this was probably the first time she'd been with anyone except her husband.

Her fingers dug deep into my ass, her ankles locked around mine, holding on as if she feared the sensation would be so strong that it would sweep her off the bed. She closed her eyes when pleasure sparked through her loins. But then she forced them open again and stared

into my face so there would be no mistake as to whom she was fucking.

Her orgasm quickly hit its peak and I felt my cock surge with its first spasm of climax. There was nothing for me to do other than smile happily, letting the power of my orgasm kaleidoscope my mind in a swirl of colors so intense that every other thought was blocked away.

My muscles slowly relaxed, coming down from the heights of my climax. I could feel my cock getting soft, still inside Gina. "This has been truly—"

"Don't talk," she whispered, scratching her nails lightly across my back. "Just be with me. I don't want there to be anything outside of this room—this house—until Sunday."

I could almost feel the cold autumn wind blowing outside, and that made the warmth of Gina's arms all the more pleasurable. I didn't want the outside world to exist anymore than she did. Our need for one another had been strong enough to overcome any complications, as we listened only to our hearts' desires. It was nice to know there could be a bond so strong between two people—if only for a weekend.

BAILEY RYDER & VICTORIA BLAZE

Barely able to contain their libidos, Bailey and Victoria can't make it to the bed before they're all over each other. Bailey has her mouth licking every bit of skin on Victoria's body. Her tongue running up and down her partner's nipples, calling out every sort of gasp and purr she can. Victoria's fingers, slipping into Bailey cause her body to squirm and contort from the sheer pleasure.

MOUTHS AND PUSSIES AND COCKS, OH MY!

FRIENDSHIP BENEFITS

Sometimes you just need your best friends. And sometimes, that friendship can have some surprising benefits. It's been a rough couple years for me, and I probably wouldn't have been able to make it through as I did without support of my friends. And the feel of their lips.

The four of us have been close since our college days for years. We've grown into our families together and always kept Sunday afternoons as our girl time. Most of the time, we chat and drink. Occasionally, one of us will have a project for the group, but it was late last year, as I was hitting one of my lows. That was when Becca, a 5'6" tanned figure with medium brown hair, decided to try something completely new.

We sat around her living room, the beer and wine flowing freely. I was talking about my divorce when Becca started yelling at me, telling me they were all tired of hearing about it and demanding that I figure out what I would do about it. I was

shocked by the pronouncement since we all supported each other, but when I looked around at Tina (5'8" with silvery-blonde hair) and Nicki (a 6'1" olive-toned bombshell with dark hair), it was clear that they agreed. However, seeing their expressions, I had to admit that I had no idea what I wanted to do except to keep complaining about it, but that was suddenly off the table. So, Becca rolled her eyes, finished her beer bottle, and set it on the table, telling me to play.

I wasn't sure exactly what she meant, so she stepped up and spun the bottle, which landed on Tina. Without waiting for Tina, who looked as surprised as I was, Becca leaned in and started making out with our friend. It was long and lingering, and Tina quickly seemed to be over the shock while Nicki and I watched. When they pulled apart, Tina turned to me and said it was my turn. I wasn't sure how this would help until I gave the bottle a spin. Suddenly, I felt it. The freedom, the excitement as we all waited to see it point toward Becca.

It was only fitting, and she gladly came around the table and leaned in for a passionate makeout that I hadn't felt in years.

I was drawn into her completely. All the questions, anger, and fear vanished in that long moment, reminding me of who I could still be. I pulled away and felt an electricity between us that sparked again when I turned to see Tina and Nicki enjoying each other's lips. With a smile, Becca suggested we head to the bedroom.

Tina and Nicki readily agreed, and before I knew it, we were all lying around Becca's bed, leaning in and kissing one another. There was a joy to it, simple and pleasureful, that I'd missed, that nevertheless surged through me unexpectedly.

Nicki started pulling at Becca's blouse, and it wasn't long before we had removed each other's tops, letting our boobs hang free as the kisses began to move across our bodies. Each mouth and kiss was unique. Becca was strong, more sure, and confident, while Tina was a bit more tender but still sure

of herself. Nicki was wild, with a fierceness in her touch that couldn't be mistaken for either of the others. They lay me down and all started to take care of me, Nicki and Tina at my boobs while Becca made out with my lips. At the same time, I felt someone's hand drifting down my chest and toward my waistline and crotch. I squirmed around, giving them better access and reach, and it wasn't long before fingertips were inside my shorts and panties and tracing the outsides of my pussy. They took turns sending waves of pleasure through me, using their fingers, tongues and lips, and Becca's surprisingly large toy collection, including strap-ons and vibrators.

While they all took care of me, they also cared for each other, swapping out and around. It was an orgy of women all touching and caressing each other's naked bodies. We went on for a couple of hours, pushing each other past the edge several times before letting one another go for the week, discovering that we had an all-new girl-time tradition.

— Marissa L., Phoenix, AZ

A SOAPY SHOWER

It's early Thursday evening and after a hard day at the office, I needed to relax and have a glass of wine. I poured myself a nice merlot and headed for the hot tub in the back of the house. My name is Don, I'm 32 and I now live with my 25 year old sister. Why? Because I divorced my wife two years ago, and last month she split with her man and now had nowhere to live, so I said she could stay with me until she got on her feet.

So I get into the hot tub, naked. Just me, and my wine, and the hot bubbles. Suddenly, I hear a bunch of female voices headed towards me. My sister walks in with a couple of her girlfriends in their bikinis. It was dark so they couldn't see I was naked. After they had been in the hot tub for a while, I decided to get out. They all sat there wet in the tub looking at me. I could tell they were all trying to sneak a peek at my stuff but I grabbed a towel and tried to cover up. As I turned to leave, Lillie, the blonde, grabbed the towel.

I went to take a shower and in minutes Lillie pulled back the curtain

and was standing there naked. She got in the shower with me and immediately grabbed my dick. She pulled the curtain shut and lowered the shower spray. Dropping to her knees, her mouth circled my cock and started sucking on it. I leaned back under the spray and closed my eyes. I felt her reach behind my buttocks with soapy fingers and she started playing with my asshole.

I couldn't believe it, but I gotta admit that it felt pretty good. It was soft and slippery and the warm shower had made my muscles relax. She pushed a finger in to the first knuckle and I moaned as she did that and also took my whole cock into her mouth. Somehow she got up a rhythm that made me jerk my load right down her throat. She took some spray into her mouth and gargled, then spit it out. Amazing, I thought.

—Don T., Baton Rouge, LA
